

Ministry Outreach to Malishevë, Kosova

April 1 – 10, 2012

You are invited to participate in a short term missions outreach to Malishevë, Kosova for a community outreach in partnership with Bashkesia e Malishevës.

Our fellowship has begun a community outreach during the Easter season, Easter is on April 8th next year. It will be an opportunity to come alongside of the fellowship of believers in Malishevë as we reach out to our neighbors with the love of God. The week prior to Easter will be a time of preparation and community activities leading up to the celebration of Easter.

- Adult/college age believers that have a heart to serve and reach out to a Muslim community with the love of God...*
- “whatever needs to be done, whenever...” is the key to ministry here in Malishevë...often “plans” do not work well in this environment, so flexibility among the team is essential.*
- There may be some more physically demanding activities, but there is always a place for fervent prayer warriors on the sidelines.*

The gospel is shared here by the building of relationships within the community; showing the love of God. Street witnessing and open evangelism meetings are not effective ministry tools in our community.

Additional ideas for this Easter ministry outreach:

- Celebration of the women in our neighborhood
 - Tea party, craft ideas, something to bless the women in a special way**
- Carnival booths for the children in conjunction with the Easter egg hunt*
- Use your gifts/interests/professional expertise. If you have a willing servant heart, there is a place to use your gifts. If you have an idea for ministry, Pastor Randy will consider how it will tie in with the community outreach
 - i.e. Physical therapists could hold a special posture screening/or stretching class in the clinic**

The estimated cost is \$2000-\$2500, based on available airfares.

Please prayerfully consider this opportunity.

The following page shows some of the events from last year’s Easter outreach.
